EDUCATION

University of California, Berkeley – Berkeley, CA

Bachelor of Science in Computer Science

Expected Graduation Date: May 2024

Cummulative GPA: 3.90/4.00

• Relevant coursework: Object-Oriented Programming and Design, Web Development and Frameworks, Software Engineering Principles

SKILLS

• Languages: Python, Java, JavaScript, C++, Ruby
• Tools: Git, Docker, Visual Studio Code, React, Node.js

EXPERIENCES

Software Developer Trainee

TechSoft Innovations | San Jose, CA | Jan 2023-Mar 2023

• Collaborated with a team to develop a responsive web application, improving user engagement by 20%
• Implemented microservices architecture, enhancing system scalability and maintainability
• Optimized application performance, reducing page load times by 30%

Research Assistant

UC Berkeley Software Lab | Oakland, CA | Sep 2022-Dec 2022

• Developed a prototype for a machine learning-based recommendation system
• Conducted usability testing, gathering feedback to improve application interfaces
• Presented a workshop on 'Modern Software Development Practices' to students and faculty

Development Intern

WebDev Studios | San Francisco, CA | Jun 2022-Aug 2022

• Assisted in the development of a mobile application, gaining experience in cross-platform development tools
• Participated in code reviews, improving code quality and consistency
• Collaborated with the design team to implement user-friendly UI/UX designs

PROJECTS

Personal Finance Tracker

• Designed and developed a tool to help users track and manage their finances
• Implemented data visualization features for better financial insights

Personal Finance Tracker

• Developed a platform for online courses, integrating video streaming and interactive quizzes
• Implemented a feedback system for students and instructors to communicate effectively
